

RELAZIONE ANNUALE SULL'ATTUAZIONE DELLA POLITICA DI COOPERAZIONE ALLO SVILUPPO

**ANNO
2018**

ELENCO ANALITICO DELLE INIZIATIVE

L'art. 12, comma 4 della Legge di Riforma della Cooperazione allo Sviluppo (L. 125/2014) prevede che la Relazione Annuale sull'attuazione della politica di cooperazione allo sviluppo riporti dettagliatamente tutte le iniziative di cooperazione realizzate dalle Amministrazioni pubbliche italiane nel corso dell'anno precedente. Al fine di ottemperare a tale disposizione, si è quindi predisposto il presente Allegato, che include tutti i progetti di cooperazione notificati al Ministero degli Affari Esteri e della Cooperazione Internazionale entro il mese di luglio 2019 per i quali vi siano stati, nel corso del 2018, impegni contabili e/o erogazioni di risorse pubbliche.

L'elenco delle iniziative è strutturato come segue:

Una prima sezione si riferisce nello specifico ai **contributi multilaterali**. All'interno di tale categoria, i finanziamenti sono stati suddivisi per Ente erogante indicando, per ciascuno, l'Organizzazione beneficiaria.

Seguono quattro sezioni relative alle diverse **aree geografiche** in cui è attiva la Cooperazione Italiana: l'Africa, i Balcani e il Medio Oriente, l'Asia e Oceania e le Americhe. All'interno di ciascuna di tali sezioni, i progetti sono suddivisi innanzitutto per Paese (elencati in ordine alfabetico) e, nell'ambito di ogni Paese, per singola Amministrazione. In particolare, sono state indicate, per ciascuna delle iniziative elencate, alcuni elementi di dettaglio: il titolo, il settore di intervento (o la destinazione multi-settoriale, qualora tale informazione sia stata fornita dagli enti notificanti), il canale di intervento (cioè l'informazione sulla modalità con cui è stato realizzato il progetto: se tramite contributi diretti al Paese beneficiario, tramite Organizzazioni internazionali, tramite ONG o direttamente da parte dell'Amministrazione erogante) e le risorse impegnate ed erogate nel corso dell'anno.

Dopo le parti relative alle singole aree geografiche, l'elenco prosegue con una lista delle **iniziativa di tipo bilaterale non ripartibili geograficamente**, suddivise al loro interno secondo gli stessi criteri utilizzati nelle sezioni precedenti.

Infine, in una sezione separata sono riportate tutte le informazioni relative ai **crediti d'aiuto**, ordinate anch'esse a seconda dell'area geografica e del Paese.

Si specifica infine che, per la redazione del presente Elenco analitico, sono state considerate tutte le voci di spesa che, secondo le direttive dell'OCSE/DAC, possono essere considerate come Aiuto Pubblico allo Sviluppo (APS): esso comprende cioè, oltre ai singoli contributi ad Enti ed organismi internazionali ed ai specifici progetti di cooperazione promossi nei Paesi in via di sviluppo, anche le relative spese amministrative, le spese affrontate in Italia per iniziative classificabili come Cooperazione allo Sviluppo (ivi incluse le spese per l'assistenza ai rifugiati notificate dal Ministero dell'Interno), i crediti d'aiuto e le operazioni relative al debito (queste ultime, essendo classificabili come aiuto a dono, sono riportate nelle varie sezioni geografiche).

Contributi Multilaterali

Ente erogatore	N. progetto	Progetto	Impegni	Erogazioni
AICS	011221/01/1	Contribution to the Multilateral Organisation Performance Assessment Network (MOPAN) Secretariat	€ 110.000	€ 110.000
