**ANNEX - Intellectual property rights  
Call 2023 – 2024**

**PROJECT Acronym**

**PROJECT Title**

**PROJECT Summary**

**Intellectual property**

Intellectual property rights will be respected and enforced by the Italian and Chinese Teams throughout the cooperation activities implemented under the Call. Should any joint activity involve intellectual property rights, the teams, in accordance with their respective legislations, will reciprocally determine, specify in writing in advance as to what constitutes intellectual property right as well as the adequate and effective protection of those intellectual property rights.

A non-exhaustive list of confidential information, which the Teams wish to transfer, exchange and use between each other, is provided below:

- (i) Any scientific or technical information, invention, design, process, procedure, formula, improvement, technology or method;
- (ii) any concepts, samples, reports, data, know-how, works-in-progress, designs, drawings, photographs, development tools, specifications, software programs, source code, object code, flow charts, and databases;
- (iii) any other information that should reasonably be recognized as Confidential Information by the Discloser.

**Confidentiality**

Participants will not transmit any confidential information that has been marked as such to any third party without written consent of the other team from which such information was received.

No information regarding a person or information enabling his/her identification shall be transmitted to any third party or otherwise processed in a manner incompatible with the agreed purposes without the written consent of the other team from which such information was received.
