Embassy of the Republic of Italy
in the Republic of Uzbekistan

The Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan extends its greetings to the Embassy of the Republic of Italy in the Republic of Uzbekistan and has honor to inform you on the following.

In 2018, at the Summit of the Shanghai Cooperation Organization (SCO) in Qingdao, China, H.E. Mr. Shavkat Mirziyoyev, the Government of the Republic of Uzbekistan, initiated the establishment of **"Silk Road" International University of Tourism and Cultural Heritage** in the ancient city of Samarkand. The University is a leading institution in Uzbekistan, preparing qualified professionals in the fields of tourism, cultural heritage, museum management and creative industries.

In order to further expand cooperation in education sector and strengthen mutual diplomatic ties between SCO member states, observer states and dialogue partners, the President of the Republic of Uzbekistan awarded **85 educational grants** for graduate programmes at the "Silk Road" University. Taking into consideration the importance of bilateral relations between governments, the University is planning to award **1 grant** place for Fall semester 2023 to outstanding candidates from Italy. Applications for Fall semester 2023 (*classes start in September*) are accepted until July 1, 2023.

As such, we kindly ask for your assistance in facilitating the selection process (*among relevant organisations*) and receiving a list of potential candidates from Italy willing to study in one of the graduate programs at "Silk Road" International University of Tourism and Cultural Heritage (*Application guidelines are attached*).

The Ministry of Tourism and Cultural Heritage of the Republic of Uzbekistan takes this opportunity once again to express its gratitude to the Embassy of the Republic of Italy in the Republic of Uzbekistan for its close cooperation and hopes for continuation of partnership in the future.
