**INFORMATION TO THE PERMANENT REPRESENTATIONS AND  
MISSIONS TO THE EUROPEAN UNION**

**Subject: Adaptation of the daily and monthly subsistence allowances for  
seconded national experts**

According to Article 17(5) of the Commission Decision on seconded national experts <sup>(1)</sup>, the daily and monthly subsistence allowance is adapted automatically in the month following the adjustment of the remuneration under Article 65 of the Staff Regulations.

The adjustment will be this year 4,1%; the allowances will therefore be adapted **as from 1 January 2025** as follows:

- (1) Daily subsistence allowance: **173,90 €**
- (2) Monthly subsistence allowance taking into account the distance between the place of origin and place of secondment:

Distance between place of origin and place of secondment (km)	Amount in €
0-150	<b>0 €</b>
> 150	<b>111,40 €</b>
> 300	<b>198,03 €</b>
> 500	<b>321,84 €</b>
> 800	<b>519,88 €</b>
> 1300	<b>816,96 €</b>
> 2000	<b>977,90 €</b>

<sup>(1)</sup> Decision C(2008) 6866 of 12.11.2008 laying down the rules on the secondment to the Commission of national experts and national experts in professional training

Attached, you will find an updated table with the most commonly found distance combinations (with calculation of the monthly subsistence allowance under the older system of distance calculation and under the current rules).

Allowances paid to national experts seconded to an EU Member State other than Belgium or Luxemburg will be subject, as from 1 January 2025, to the correction coefficients applicable as from that date.
